TRANSIENT GENERAL AVIATION PILOT & PASSENGER SURVEY

The State of Illinois is conducting a study to measure the value of Illinois airports to their communities and to the state. An important part of this study involves surveying airport users. This survey is intended to gain an understanding of how transient general aviation aircraft visiting Illinois contribute to the state's economy.

Please take a few minutes to complete this survey. Your participation is deeply appreciated and crucial to the success of this study. Responses are anonymous and reported in combination with all other respondents.
