

COMMERCIAL AIR PASSENGER SURVEY

The State of Illinois is conducting a study to measure the value of Illinois airports to their communities and to the state. An important part of this study involves surveying airport users. **This survey is intended to gain an understanding of how commercial air passengers visiting Illinois contribute to the state's economy.**

Please take a few minutes to complete this survey. Your participation is deeply appreciated and crucial to the success of this study. Responses are anonymous and reported in combination with all other respondents.
