

SCHAUMBURG REGIONAL

ABOUT THE AIRPORT

Schaumburg Regional Airport (06C) is a general aviation airport in northeast Illinois, located in both Cook County and DuPage County. The Airport is owned by the Village of Schaumburg and is located approximately 22 miles northwest of Chicago. 06C is primarily used for business and recreational flying but also supports sight-seeing, news reporting activities, aerial inspection, law enforcement operations, military training, aircraft flight testing, search and rescue, and environmental patrol activities. In addition to providing tours to local schools, 06C partners with the local EAA chapter to provide Young Eagle rides to promote aviation and the airport among younger generations. The Airport provides flight training opportunities to those interested and hosts three annual events to encourage community involvement at the airport.

To understand the geographic reach of 06C, the map below illustrates the domestic origin and destination flights into and out of the Airport in 2019.

WHAT IS ECONOMIC IMPACT?

On-Airport Activity

The impacts generated by airports including airport management and administration, airport tenants, as well as on-airport construction.

Visitor Spending

The impacts generated by out-of-state visitors to Illinois, for personal or business reasons, who spend money on accommodations, food and beverage, local ground transportation, retail, and entertainment.

Labor Income

Also known as "payroll"; total employment compensation, including wages and other benefits (e.g., healthcare insurance payments, retirement).

Air Cargo

Economic contributions from industries in Illinois that receive or ship air cargo through Illinois airport. Air Cargo impacts are quantified at the District and Statewide levels only.

Employment

Number of people employed, including part-time and full-time.

Value Added

The economic productivity of each aviation-related business establishment, calculated as business revenue earned minus the cost of purchasing goods and services from other businesses. It includes all labor compensation, profits, and business taxes paid.

REGION 1

■ IDOT District 1

Region 1 is located in northeast Illinois and encompasses the Chicago Metropolitan Area, also known as Chicagoland, that borders Wisconsin, Indiana, and Lake Michigan. Thirty-six Fortune-500 companies have a presence in the Chicago area and act as significant economic drivers for the region. The Region's 17 airports support passenger, recreational, and business users within Illinois and in bordering states. Chicago O'Hare International Airport (ORD) and Chicago Midway International Airport (MDW) are two of the largest and busiest airports in the state and serve as international hubs for passenger travel. In 2019, Region 1's airports generated 375,370 jobs, \$25.5 billion in labor income, \$42.7 billion in value added, and \$73.5 billion in total economic impact.

STATEWIDE

Illinois boasts a robust aviation system of over 80 airports, including some of the busiest facilities on the globe. To support this robust system, the Illinois Department of Transportation (IDOT) initiated the development of the Illinois Aviation Economic Impact Analysis (EIA) to quantify each airport's annual monetary contribution to their local, regional, and statewide economies. The EIA determined that Illinois' airports generated 492,768 jobs and contributed \$95.5 billion to the state's economy in 2019.
