

## JACKSONVILLE MUNICIPAL

### ABOUT THE AIRPORT

Jacksonville Municipal Airport (IJX) is a general aviation airport in Morgan County, located in west central Illinois. The Airport is located approximately three miles north of the City of Jacksonville and 30 miles west of Springfield. IJX is publicly owned and operated by the Jacksonville Airport Authority. IJX is primarily used for recreational flying, aircraft flight testing, and flight training. Additional activities that the Airport supports include corporate/business flights, aerial inspection and photography, police and law enforcement operations, military training, medical transport, and seasonal agricultural activities. The Airport supports the community through hosting events, working with the local Boy Scout troop, and partnering with the local chapter of EAA, Chapter 137, to conduct Young Eagles flights and fly-ins. The Airport is a significant resource in the community and continues to support the local economy.

To understand the geographic reach of IJX, the map below illustrates the domestic origin and destination flights into and out of the Airport in 2019.
