

# MOUNT VERNON OUTLAND

## ABOUT THE AIRPORT

Mount Vernon Outland Airport (MVN) is a general aviation airport located in Jefferson County in southern Illinois. The Airport is located approximately three miles east of Mount Vernon and is publicly owned and operated by the Mount Vernon Airport Authority. The Airport experiences daily air cargo, corporate, charter, and recreational flying. The Airport also serves as a gateway to the region's outdoor recreational activities which include hunting, fishing, boating, camping, and sight-seeing. Additional activities supported by MVN include aerial inspection and photography, police and law enforcement operations, prisoner transport, military training, aircraft flight testing, government operations, glider flying, and aerial agricultural application. MVN works with EAA Chapter 1155, EAA Young Eagles, Aviation Explorers, Boy Scouts, and Young Eagles Build and Fly to provide a robust aviation education program that is accessible to the community.

To understand the geographic reach of MVN, the map below illustrates the domestic origin and destination flights into and out of the Airport in 2019.

MILLION

## WHAT IS ECONOMIC IMPACT?

### On-Airport Activity

The impacts generated by airports including airport management and administration, airport tenants, as well as on-airport construction.

### Labor Income

Also known as "payroll"; total employment compensation, including wages and other benefits (e.g., healthcare insurance payments, retirement).

### Visitor Spending

The impacts generated by out-of-state visitors to Illinois, for personal or business reasons, who spend money on accommodations, food and beverage, local ground transportation, retail, and entertainment.

### Air Cargo

Economic contributions from industries in Illinois that receive or ship air cargo through Illinois airport. Air Cargo impacts are quantified at the District and Statewide levels only.

### Employment

Number of people employed, including part-time and full-time.

### Value Added

The economic productivity of each aviation-related business establishment, calculated as business revenue earned minus the cost of purchasing goods and services from other businesses. It includes all labor compensation, profits, and business taxes paid.

# REGION 5

## ■ IDOT Districts 8 & 9

Region 5 is situated in beautiful southern Illinois and borders Missouri, Kentucky, and Indiana. Region 5 is known for its tourist destinations, which include Shawnee National Forest, Giant City State Park, Garden of the Gods Recreation Area, and the St. Louis metropolitan area. Visitors to the Region are welcomed through its two commercial service airports, Veterans Airport of Southern Illinois (MWA) and MidAmerica St. Louis Airport (BLV), and 14 general aviation airports. In addition to supporting significant military activity due to its shared airfield with Scott Air Force Base, MidAmerica St. Louis Airport (BLV) is one of the fastest growing commercial service airports in the state. Airports in Region 5 generated 38,278 jobs, \$2.6 billion in labor income, \$3.4 billion in value added, and \$6.1 billion in total economic impact.

# STATEWIDE

Illinois boasts a robust aviation system of over 80 airports, including some of the busiest facilities on the globe. To support this robust system, the Illinois Department of Transportation (IDOT) initiated the development of the Illinois Aviation Economic Impact Analysis (EIA) to quantify each airport's annual monetary contribution to their local, regional, and statewide economies. The EIA determined that Illinois' airports generated 492,768 jobs and contributed \$95.5 billion to the state's economy in 2019.

**On-Airport**  
\$38.4 BILLION

**Visitor Spending**
