

## TAYLORVILLE MUNICIPAL

### ABOUT THE AIRPORT

Taylorville Municipal Airport (TAZ) is a general aviation airport located in Christian County in central Illinois. The Airport is located approximately two miles southwest of the City of Taylorville and is publicly owned and operated by the City of Taylorville. TAZ supports a variety of activities that include recreational flying, seasonal hunting and fishing tourism, corporate and business flying, aircraft flight testing, and skydiving which attracts local and out-of-town visitors. Additionally, the Airport supports military training exercises, air cargo operations, government operations, and law enforcement activity, making it an essential resource to the community.

To understand the geographic reach of TAZ, the map below illustrates the domestic origin and destination flights into and out of the Airport in 2019.

# STATEWIDE

Illinois boasts a robust aviation system of over 80 airports, including some of the busiest facilities on the globe. To support this robust system, the Illinois Department of Transportation (IDOT) initiated the development of the Illinois Aviation Economic Impact Analysis (EIA) to quantify each airport's annual monetary contribution to their local, regional, and statewide economies. The EIA determined that Illinois' airports generated 492,768 jobs and contributed \$95.5 billion to the state's economy in 2019.
