

CASEY MUNICIPAL

ABOUT THE AIRPORT

Casey Municipal Airport (1H8), owned by the City of Casey, is a general aviation airport located in Clark County, Illinois. The City of Casey is often referred to as “The Small City with Big Things” due to the number of Guinness World Records’ certified attractions located in the city’s downtown. The attractions, along with the downtown, golf course, motor sports arena, and USA Softball Hall of Fame Museum all create the local tourism industry that the Airport serves. In addition to serving tourists, the Airport supports aerial agricultural activities, emergency medical transport, and military exercises. Additionally, the airport’s FBO provides maintenance, flight training, and rental services to the community.

To understand the geographic reach of 1H8, the map below illustrates the domestic origin and destination flights into and out of the Airport in 2019.
